

Protect Your Business Brand

Guard against negligent hiring lawsuits, violence harassment, substance abuse, non productive workplace behaviors

Are You Concerned About Safety In Your Workplace?

Does Life and Truth Matter in Your Organization?

Let us help you go beyond the resume and discover how your employees are likely to perform and behave.

We can test for substance abuse, criminal background, integrity, reasoning, logic, violent impulses, sexual harassment tendencies and many other non productive workforce behaviors. **ONSITE WITH SAME DAY RESULTS!** *(five employee minimum requirement for onsite service)

From March - May 2017 take advantage of our Online-Web Based, Applicant Integrity Packages!

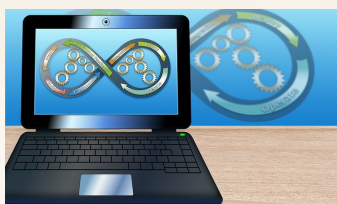

Onsite Live Scan digital fingerprinting can be added to any package. Call for quote.

We are a Southern Maryland, certified disabled, veteran owned business!
